...and if you spend yourselves in behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness, and your night will become like the noonday. Isaiah 58:10

Vacation Bible School was held from April 21 to 29 at the Home campus. Children from the home, day students of King's school and children from the surrounding villages attended the 9 days programme enthusiastically. The theme for this year was **'Triumph Always'** based on the scripture from Romans 8:37. A team of volunteers from Scripture Union, Chennai conducted the programme.

I look back on my stay at MBGP with much fondness and good memories. As a short term volunteer from Global Ministries, the "missionary" organization in the USA of the United Church of Christ and the Disciples of Christ, my assignment here was to get to know the Grandmothers and write about them with the hope of getting more "Elder Sponsorships".

I spent many hours individually and in groups with the grandmothers and truly felt much love and respect for them.

Rev. Barbara Currie, USA

In spite of their difficult journeys, for the most part with the help of this wonderful extended family, they have made a life for themselves, filled with faith, service, and thankfulness.

Thank you MBKGP and especially the grandparents, for letting me be a part of your life for a while Thanks to Dr. Pauline King, for founding such a wonderful place! Praise be to God!

Visitors and Volunteers

MBKG Pannai is without doubt one of the most incredible places I have had the pleasure of spending time. Right from arrival until the end of my stay I was continually impressed by what is being achieved there. Pauline King's vision of a nurturing family environment for children, mothers and grandparents to live-in is being more than fulfilled with a vast amount of love and care from all involved.

This level of care is something that struck me the most. Everyone associated with MBKG Pannai; the cottage mothers, the children, the office staff and the numerous other valuable employees, is given and gives this care to one another, and I found myself quickly adopted into this family..... **Jennifer Knight**

Thanks to First Christian Church of Chattanooga, Tennessee, USA

Ms. Gayle Mingledorff

Due to the great generosity shown to us by the **First Christian Church of Chattanooga** we could buy **4 Stainless Steel water drums with tap, 4 unbreakable Trash bins, 25 Rubber mats, a new Induction stove** to help with practicals in the Biology lab, and a brand new **CD player** which can be used for special occasions at the school.

All of these items will make a **huge difference to King's School** and we would not have been able to fund these purchases without the church's love and kindness.

We also want to say a very **BIG THANKS** to Ms. **Gayle Mingledorff** for representing the church and spending a month with our school. During this time children thoroughly **enjoyed learning the importance of balance, team-work and confidence by playing the various games that the church provided.**

Best wishes and sincere thanks to the First Christian Church of Chattanooga.
